

Heber Thompson currently serves as Mayor of American Fork where he has lived for 29 years. He can be reached at mayor@afcity.net or www.thompson4mayor.com. He is an MBA from Stanford University, has held responsible positions with GE, IBM and the LDS Church. He has coached little league baseball and basketball, was on the Planning Commission and served as President of Downtown American Fork, Inc. and currently serves on various boards and committees of the Utah Lake Commission, Mountainland Association of Governments, Economic Development Corp. of Utah, Utah County Council of Governments, Intermountain Health Care and Utah County Department Of Health Substance Abuse Advisory Board.

Mayor Thompson loves the city and its citizens and wants to finish the job he has started. He feels his successful, first-hand experience has prepared him well for future service. He will continue to: Assure Action on Tough Issues; Build on a Successful Mayor/Council/Staff Team; Represent the City with an Experienced, Respected Voice; Provide Recreation and Arts Programs; Aggressively Prosecute Crime.

His high priority items for the future: City Financial Health; Road/Sidewalk Improvements; Cemetery Land; Emergency Response; Economic Growth; Volunteer Service; Quality of Life; Downtown Revitalization; Smart Land Use Development; Environmental Sustainability.
