Garbage:

Residential Garbage: \$10.00/month for the first can. Upon request, additional cans are \$6.65/month. Garbage day is on Thursdays for the whole city. Once a can has been delivered all garbage must be in the can.

Commercial Garbage: American Fork City does not bill for commercial garbage. Each location is responsible to schedule their own garbage pickup through a garbage company of their choice.

Recycling:

\$5.40/month for residential accounts only. A pick-up schedule and list of what is accepted may be obtained at the Administration Office (51 E Main) or on the City's website. The City has been divided into 2 sections. Some recycle will be picked up on Tuesday and others on Monday. Please visit our website www.afcity.org to determine which day your pick-up will be. If the can has not been delivered by the pick-up day, recyclables may be placed at the curb in white plastic bags. Anyone who chooses to opt-out of the recycle program will be charged a \$50.00 cancellation fee. New homeowners have 60 days from their sign up date in which the cancellation fee will be waived.

Drain:

Residential Drain: \$6.00 fee is added to each account to help upgrade and maintain the drain system.

Commercial Drain: Drain: \$6.00 per Equivalent Service Unit (ESU) is added to each account to help upgrade and maintain the drain system. One ESU equals 3,400 square feet.

Late Fee:

Utility bills are due by the 20th of the month. Any balance left owing after the 20th will receive a late fee which is 10% of the current month charges.

Pressurized Irrigation:

Pressurized irrigation is available for all residential and some commercial locations. It is encouraged to connect to this service, but it is not mandatory. The base rate is \$14.00/month for lot sizes up to 9,000 square feet. Lots larger than 9,000 square feet will be charged \$0.00175 times the number of square feet in excess of 9,000. Irrigation shareholders will receive the service at a discounted rate.
