ADDENDUM NO. 1

Project: **Request for Proposal
Issued by American Fork City
Public Works Concrete Contractor
Closing date: April 24, 2019**

This addendum represents clarifications and additions to the Request for Proposals (RFP) and any of its respective parts. These changes are to be considered part of said documents as though they were included in the original documents. Any terms or conditions of said documents not modified by Addendum No. 1 shall remain unchanged.

The number of hard copies to be submitted has been changed as follows:

X. PROPOSAL FORMAT

All proposals shall be formatted according to the following specifications:

- A. Page Limit: proposals cannot be more than **10 pages**. Resume documents submitted will not count toward the page limit.
- B. Page Numbering: proposals shall contain page numbers.
- C. Table of Contents: proposals shall contain a table of contents with references to page numbers.
- D. Copies: Please submit **two** copies of your proposal plus one unchanged electronic copy in pdf. format to the Public Works Engineering Office, 275 East 200 North, American Fork, Utah 84003.
